This voucher is an important audit record. This voucher is part of the supporting documents necessary to support your claim of the credit for hiring qualified individuals. It serves as certification that a person meets the eligibility requirements for the Municipal Restoration Zone. Please retain a copy of this form for your records and provide a copy to the Economic Development Department. **This voucher alone does not qualify an employer to claim the Municipal Restoration Zone hiring credit.** To qualify for the credit, the business must be located in the Municipal Restoration Zone, be an Eligible New or Expanding Business, and the employee must meet legal right-to-work requirements. To qualify for hiring credit in the next two years, an employer will be required to show evidence that the employee named herein remains employed in a full-time job.
